

Oklahoma Family Dentistry

Comfortable, Quality and Affordable

Post-Sedation Treatment Instructions

- Patient must have a responsible person bring and take them home from their appointment (and stay with them until recovered).
- No Driving for 24 hours.
- No operating hazardous devices.
- No heavy lifting.
- No stairs until completely recovered.
- No important decisions(no work) for 24 hours.
- No Alcohol for 24 hours after treatment.
- No stimulants for 12 hours after (caffeine or nicotine).
- Rehydrate patient every hour with plenty of fluids (water or Gatorade).

If you have any questions please call our office at (405) 598-9398.

I have received a copy of the above information and agree to cooperate completely with the doctor's instructions and will follow the post-sedation instructions to the best of my ability for my comfort and safety. I have had the opportunity to ask questions concerning these procedures.
